Dear Claire

Our Client: Fferm Wynt Llaithddu Cyf
Mid Wales Conjoined Inquiry

1. Hopefully by now you will have received hard copies and disks of the proofs of evidence in respect of landscape and transport as per the inquiry timetable.
2. These are the only proofs Fferm Wynt Llaithddu Cyf will be relying on at present. In all other respects we will be relying on the evidence and Statement of Common Grounds submitted to the Inquiry for Session 1.
3. This is particularly relevant to the issues of noise and amplitude modulation. For the avoidance of doubt, as this may be contrary to other developers, we shall be relying on the evidence submitted to the Inquiry, both in writing and orally, for Session 1 and the Joint Statement submitted on behalf of the five developers by Eversheds.
4. In addition to the above, and by way of update, we note the deadline for submitting Statements of Common Grounds is also today. We are in the process of agreeing Statements of Common Ground in respect of our 2 remaining live issues with Powys County Council and the Welsh Government. Again in all other respects we rely on the Statements of Common Ground submitted for Session 1.

Yours sincerely
