

FWLC Clarification Note: Site Visit 4th April 2014.

We wish to make the inspector aware that as regards the western end of the Area C itinerary:

- a. Ddullui Bank and Custogion are participating dwellings;
- b. There is a mistake in the route in that it goes beyond the public road, on the fork to the South of Ddullui Bank;
- c. The Inspector is welcome to proceed into the site along this track as far as he wants but will need to get access from Martyn Price at Ddullui Bank (who has been warned of his arrival). Mr Price will be happy to take the Inspector into the site if he so wishes.
- d. Please note the last (i.e. most westward) dwelling on this fork is also participating. Contact details to follow.
