Dear Sir/Madam

## The Mid-Wales Conjoined Wind Farms Public Inquiry

You will recall that at the opening session of the Inquiry, the Inspector asked that the statement of common ground (SoCG) agreed by the applicants and the edited version submitted by the Council be consolidated to form a statement of common ground agreed by the applicants and the Council. Furthermore, whilst accepting that regular monitoring meetings would not take place, he also stressed the importance of on-going discussions aimed at narrowing down areas of dispute, and requested regular feed-back on the progress of these discussions. We have heard nothing since the opening session on these matters. By copy of this letter the Council is therefore requested to provide feed-back both on the progress of the consolidation of the SoCG, and on the progress of discussions aimed at narrowing down areas of dispute. A response by Monday 15 July at the latest is requested.

Your co-operation will be much appreciated.

Yours faithfully

*Hefin Jones*
