

Agenda for Hearing Session – Grid Technical Matters

Tuesday 25th March, 2014

The purpose of the hearing session is to inquire into the Grid Connections Options Review (December 2013) carried out by Mott McDonald for Vattenfall, FWL, RES and RWE. (The Review is included as Appendix 2.1 to the Llanbrynmair Wind Farm December 2013 SEI, published on the Inquiry web site).

Please note that it is not the purpose of this hearing session to inquire into the effects of any of the identified grid options on the landscape or cultural heritage. There will be presentation of evidence / cross examination on other days for these topics.

Agenda

- 1 Background to the Mott McDonald Review/ summary of main findings (Inspector)
- 2 Questions raised by the Alliance (ALL-GRID-POE- S4-01)
- 3 MAP comments on Review
- 4 Other comments / questions relating to the review

The Inspector will lead the discussion, which is anticipated to last 1 – 2 hours.

The hearing session will be followed by further evidence on grid connections presented by MAP (OBJ/008/POE/S4)
