

Draft Condition

No turbine hereby approved shall be brought into operation prior to the submission to and approval in writing by the Local Planning Authority of a scheme for the assessment and regulation of Excess Amplitude Modulation (EAM).

[That scheme shall be in general accordance with:

- a) any guidance endorsed in National Planning Policy of Guidance at that time; or in the absence of endorsed guidance
- b) Guidance published by the Institute of Acoustics; or, in the absence of such published guidance,
- c) such a scheme as may be proposed by the developer]

The approval scheme shall be implemented for the life of the development hereby approved.
