Mid Wales Conjoined Public Inquiry

20 December 2012 21:24

Dear Claire Jones-Hughes,

Re: Mid Wales Conjoined Public Inquiry,

With regard to the above inquiry I writing to ask that you consider holding the inquiry in Welshpool as this is more convenient for the many people affected by this issue. Welshpool has a good rail link - London to Welshpool involves just one change in Birmingham and the journey time can be little more than 3 and a half hours. There are suitable venues in Welshpool - The Royal Oak Hotel is less than 10 min walk from the station and has conference rooms and over 20 bedrooms. There is also the Town Hall and the Council Offices.

Also I ask that you include in the statement of matters the effect of the connection as

- a) transmission lines to the hub
- b)the hub itself
- c) transmission lines from the hub to grid.

Thank you

Yours Sincerely

Ruth Bartley
