

Michael and Claudi Halsey

To: Chris Banks, Programme Officer. Conjoined Public Inquiry

Date: Monday 8th.July,2013

Dear Mr. Banks,

Subject: CONJOINED WINDFARM PUBLIC INQUIRY-WELSHPOOL

Document: Statement of Case-Private Residents-Michael & Claudi Halsey

We refer to our original Public Inquiry statement of Objections dated 18/1/13 and confirm we wish to speak at the Inquiry, inter alia, on the following areas of concern /objections that we have in relation to further wind farm development the subject of the Inquiry :-

1) As UK Citizens-

- a)-The National Grid
- b)-The UK economy & UK business in particular
- c)-Cost of energy to UK citizens.

2) As Residents of Powys County-

- a) Potential failure of democratic process to uphold Local Planning Authority decisions
- b) Potential wholesale desecration of our beautiful landscape
- c) Potential traffic chaos caused by major road & bridge infrastructure plans et al
- d) Costs to our Community

3) As Residents of Lower Foel Farmhouse

Potential threat to the present peace & enjoyment of our home,inter alia caused by, and with particular reference to, the proposed adjoining Llanbadarn Fynydd W/F development :-

- a) Noise pollution
- b) Shadow flicker
- c) Water pollution
- d) Impeding of emergency response capability to our remote home.
- e) Blighted visual amenity (including cumulative impact from other wind farms.)

Further details,including evidence will be submitted in due course in accordance with your Inquiry timetable.

Yours sincerely

Michael A. Halsey

Claudi Halsey
