

Outline Statement

The Clerk
Banwy Community Council
Pen Isa'r Cyffin
Dolanog
Welshpool
SY21 0NA

The Community Council conducted a postal survey in 2012 of the whole of the community to ascertain whether they were in favour or against the proposed developments. 70% of the community responded with 72% against the windfarms and 83% against the pylons. The Community Council would like to make submissions in connection with this survey and any further requests for representation received from the community.
